**Description:**  
 Starting from the church we head along Winner Street to Primley Woods. Entering the grounds we work our way up using the New Millennium pathway to the top before dropping down to great Parks

We then work our way through a quiet picturesque route until we reach our summit beneath the twin towers of Beacon Hill looking down on the vista of Torbay's Bay.

We head down through Westmoreland towards the top of Marldon Road where those with the energy can down venture on the old track past Paignton Windmill before heading a circuitous route back through Occombe woods and Oldway Mansion.

Those with less energy can use the downhill sloe all the way back to the church and cream tea!
